ADOPTION AGENDA, DISCUSSION, COMMITTEE ITEMS

COMMITTEE ON NATURAL RESOURCES, AND CULTURE,
RESOLUTIONS:

ITEM-331: Establishing Short-Term Automated Refuse Container Fee Schedule Effective December 1, 2005.

(See City Manager Report CMR-05-191; and City Attorney Report dated 6/13/2005, not available at the Committee.)

(Continued from the meeting of November 22, 2005, Item 331, at the request of Councilmember Frye, for further review.)

TODAY'S ACTION IS:

Adopt the following resolution:

(R-2006-454 Cor. Copy)

Authorizing and directing the City Manager as follows:

1. To establish and impose a short-term fee for automated refuse containers of \$50 per container, for new service requests, replacement of non-serviceable containers no longer under warranty, and replacement of lost or stolen containers, effective December 1, 2005 and until a long-term replacement plan for automated containers is implemented, as set forth in City Manager Report No. 05-191;
2. To establish and impose a short-term fee for non-warranty automated refuse container field repairs of \$30 per repair trip plus cost of parts and labor, effective December 1, 2005 and until a long-term replacement plan for automated containers is implemented, as set forth in City Manager Report No. 05-191;
3. To establish and impose a fee for both refuse and recycling automated container delivery services of \$30 per delivery, effective December 1, 2005, as set forth in City Manager Report No. 05-191;
4. To issue a Waste Management Regulation revising the existing automated container program to provide for the above fees;
5. To review the above short-term fees and make adjustments in accordance with Council Policy 100-05 and Administrative Regulation 95.25, to ensure that all reasonable costs of goods and services incurred in connection with the provision of these automated containers are being recovered; and

ITEM-331: (Continued)

6. To deposit all automated container program fees into the Automated Container Fund No. 10509, to be used solely for purposes of the automated container program.

Directing the City Clerk to amend the Ratebook of City Fees and Charges to include the automated container program fees described above;

Declaring this activity is statutorily exempt from CEQA pursuant to CEQA Guidelines Section 15273 because this activity pertains to the establishment, modification, structuring, restructuring, or approval of rates, fares, tolls, or other charges by a public agency, which the City Council finds are for the purpose of meeting operating expenses and purchasing supplies, equipment or materials.

NATURAL RESOURCES AND CULTURE COMMITTEE'S RECOMMENDATION:

On 10/26/2005, NR&C voted 3 to 1 to approve the City Manager's recommendations. (Councilmembers Young, Frye, and Madaffer voted yea. Councilmember Maienschein voted nay.)

SUPPORTING INFORMATION:

The People's Ordinance of 1919, codified as Section 66.0127 of the San Diego Municipal Code, provides that "Residential Refuse shall be collected, transported and disposed of by the City at least once a week and there shall be no City fee imposed or charged for this service by City forces." Historically, from 1919 through 1994, it was the responsibility of residents and small businesses receiving City collection services to provide, maintain, repair and replace the containers used for storage and collection of refuse. In 1995, to ease the transition to automated refuse and recycling collection from manual collection, the City provided uniform automated collection containers to residences and small businesses without charge. This was done to ensure all containers would be fully compatible with new automated and semi-automated collection systems and be able to withstand the heavy industrial use.

A significant portion of the City's automated collection container inventory is now approaching the end of its expected life span and warranty period. In an attempt to keep up with growing demand and the anticipated increase in container failure rates, \$220,000 was requested but not funded in the FY 2006 General Fund budget.

ADOPTION AGENDA, DISCUSSION, COMMITTEE ITEMS (Continued)

COMMITTEE ON NATURAL RESOURCES, AND CULTURE,
RESOLUTIONS: (Continued)

ITEM-331: (Continued)

SUPPORTING INFORMATION: (Continued)

To mitigate the unbudgeted expenditures to the General Fund that occur as additional and replacement containers are required, it is recommended that effective December 1, 2005 a cost-recovery fee of \$50 per refuse container be established for all new service requests, lost or stolen containers, and non-warranty replacements. Additionally, a fee of \$30 (plus parts and labor) is proposed for non-warranty repairs on automated refuse containers and a \$30 fee is proposed to recover the cost associated with delivery of recycling and refuse automated containers. Recycling containers are provided free of charge and currently have a \$25 delivery fee. This action does not alter the free recycling container policy but brings the delivery fee in line with the current estimated cost of \$30 per container.

FISCAL IMPACT:

It is anticipated the proposed refuse container fees will generate approximately \$110,000 in revenue for FY 2006 allowing the City to continue to provide this service to residents until other options are evaluated. This approach allows the City to bridge short-term automated refuse container replacement issues with the longer-term need for citywide replacement of over 500,000 10-year-old automated refuse and recyclables containers reaching the end of their life. Ten-year lease purchase cost estimates for citywide replacement of all automated refuse and recyclables containers total \$24 to \$30 million.

ADOPTION AGENDA, DISCUSSION, HEARINGS

NOTICED HEARINGS:

ITEM-332: 1519 Missouri Street Map Waiver.

Matter of the appeal by Citizens for Responsible Equitable Environmental Development c/o Cory J. Briggs, Briggs Law Corporation concerning the determination by City staff, that the request to convert three existing residential dwelling units to condominium ownership is exempt from the California Environmental Quality Act (CEQA).

(See City Manager Report CMR-05-233. Project No. 80557. Pacific Beach Community Plan Area. District 2.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution to deny the appeal and uphold the Environmental Determination:

(R-2006-)

Adoption of a Resolution granting or denying the appeal and upholding or overturning the decision by City of San Diego City Staff in the Environmental Determination of exemption for this project, with appropriate findings to support Council action.

CITY MANAGER SUPPORTING INFORMATION:

The proposed project is a Map Waiver to waive the requirements of a Tentative Map to convert three existing residential units to condominiums on a 0.14-acre site located at 1519 Missouri Street in the RM-1-1 Zone within the Pacific Beach Community Planning area.

Staff conducted the initial review of the proposed Map Waiver in accordance with the process set forth in Sections 15060 and 15061 of the State's California Environmental Quality Act (CEQA) Guidelines. Several issues were considered during this review, including traffic, parking, and visual quality. Physical impacts related to the loss of affordable housing was also raised as a question to be considered by the department in the evaluation of all of the discretionary condominium conversions; however, this issue was determined to be speculative. Staff determined that the subject project would not result in a direct or reasonably foreseeable indirect physical change in the environment. On September 6, 2005, City of San Diego staff determined that the project is exempt from CEQA pursuant to State CEQA Guidelines Section 15301(k), and this determination was appealed to the City Council on September 12, 2005, by Citizens for Responsible Equitable Environmental Development, c/o Cory J. Briggs, Briggs Law Corporation.

NOTICED HEARINGS: (Continued)

ITEM-332: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

While this Process 3 activity has not yet been to a public hearing for the purpose of deciding whether to approve or deny the project, this appeal is before the City Council because of an amendment to the California Environmental Quality Act (CEQA). Effective January 1, 2003, Section 21151(c) CEQA has been amended as follows: *If a non-elected decision-making body of a local lead agency certifies an environmental impact report, approves a negative declaration or a mitigated negative declaration, or determines that a project is not subject to this division, that certification, approval, or determination may be appealed to the agency's elected decision-making body, if any.*

Pursuant to this amended legislation, Mr. Cory Briggs filed an appeal (Attachment No. 2) of the City of San Diego staff's determination of environmental exemption for project. This appeal applies only to the environmental determination.

FISCAL IMPACT:

None with this action. All cost associated with the processing of this project are paid by the applicant.

ITEM-336: Vacation - Portion of Goshen Street and Friars Road.

(Mission Valley Community Plan Area. District 6.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2006-422)

Vacating a portion of Goshen Street, reserving out a general utility and access easement, and a portion of Friars Road, reserving out a water easement, under the procedure for the summary vacation of public street easements, Section 8330 et seq. of the California and Highways Code.

CITY MANAGER SUPPORTING INFORMATION:

City Council action is requested to vacate a portion of Goshen Street and Friars Road, located in the Mission Valley Community Area in Council District 6. The area to be vacated is an unimproved strip of land lying south of Friars Road adjoining the Riverwalk Golf Club. There are no plans to construct a street at this location. The applicant wishes to landscape the vacated area and incorporate it into the golf course. A general utility and access easement will be reserved over a portion of the area to be vacated. On October 5, 2005, the Mission Valley Unified Planning Organization recommended approval of the street vacation by a vote of 18 to support, 0 Against, 1 Abstention. City staff recommends approval of the street vacation.

FINDINGS: Staff review has indicated that the right-of-way to be vacated may be summarily vacated and that the four required findings for vacation can be made. These findings are:

- a. That there is no prospective use for the right-of-way, either for the facility for which it was originally acquired or for any other public use of a like nature that can be anticipated. The street is a dead end and it is unlikely that a street would be built or widened at this location.
- b. That the public will benefit from the action through improved utilization of land made possible by the street vacation. The land will revert to private ownership and will relieve the City of any liability.
- c. That the vacation is not inconsistent with the General Plan and approved Community Plan or the Local Coastal Program. The portion of the street being vacated is not part of the community plan transportation element and land would revert to a MVPD-MV-M/SP zone, which is consistent with the community plan land use designation. The Mission Valley Unified Organization recommends approval of the street vacation.

ADOPTION AGENDA, DISCUSSION, HEARINGS (Continued)

- d. That the facility for which the right-of-way as originally acquired will not be detrimentally affected by the street vacation. This street has no use and will not be extended. There are no present or future plans to construct a street in this area and easements will be reserved for existing utilities.

FISCAL IMPACT:

All costs have been paid by the applicant.

NOTE: This action is exempt from California Environmental Quality Act pursuant to State CEQA Guidelines Section 15061(b)(3).

ITEM-337: Three actions related to the Rancho Encantada/Stonebridge Estates Maintenance Assessment District Formation.

(Rancho Encantada Community Area. District 7.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-2006-267)

Authorizing the City Auditor and Comptroller to establish the Rancho Encantada/Stonebridge Estates Maintenance Assessment District Fund.

Subitem-B: (R-2006-268)

Approving Fiscal Year 2007 Budget for the Rancho Encantada/Stonebridge Estates Maintenance Assessment District.

Subitem-C: (R-2006-269)

Considering the protests, approving Assessment Engineer's Report, confirming the assessments, and ordering the improvements, maintenance and/or services, in the matter of the Rancho Encantada/Stonebridge Estates Maintenance Assessment District.

CITY MANAGER SUPPORTING INFORMATION:

This action authorizes the ballot proceedings to form the Rancho Encantada/Stonebridge Estates Maintenance Assessment District (District). The District is located in the Rancho Encantada Community Planning Area and is bounded by the City of Poway to the North, Marine Corps Air Station Miramar to the south, the communities of Scripps-Miramar Ranch and Miramar Ranch North to the west, and Sycamore Canyon County Open Space to the east. Two parks are proposed to be constructed as part of this development: Stonebridge Estates Park and Sycamore Canyon Park.

The purpose of the District is to fund the maintenance of improvements associated with the second park, Sycamore Canyon Park, which has six useable acres. Sycamore Canyon Park, former known as Rancho Encantada Park #2, will provide for a multi-use sports field, ballfield, comfort station, turf area, walking path, tot lots, and other park amenities.

ITEM-337: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

Since Rancho Encantada and surrounding communities have a surplus of useable park acreage, it is proposed that this District be formed to maintain this special benefit to the community. On July 21, 2005, the Park and Recreation Board approved funding the park as a new Maintenance Assessment District. The park is schedule to open in February 2007 and the District will take over maintenance of improvements in May 2007 or upon acceptance by the City.

The proposed annual assessments were calculated by an assessment engineer for parcels within the District and are based on each parcel's equivalent benefit unit (EBU), which is equivalent to one single family dwelling unit. The proposed rate would be \$204 per EBU.

FISCAL IMPACT:

Approximately \$187,057 will be assessed to the property owners within the District in FY 2007. The proposed Fiscal Year 2007 assessments and maximum authorized assessments are permitted to increase annually at a rate equivalent to the San Diego Consumer Price Index – Urban (SDCPI-U) plus 3%. Since there are no medians to be maintained, there is no impact to the Gas Tax Fund. The two proposed parks within Stonebridge Estates consist of three parcels that are owned by the City and will be assessed \$150 in Fiscal Year 2007. This assessment will be paid from the General Fund, Citywide Program Expenditures.

ITEM-340: Second Consideration of Sunset Pointe.

Matter of approving, conditionally approving, modifying or denying changes to an approved Community Plan Amendment and Rezone by the California Coastal Commission which if approved by the City Council and then certified by the California Coastal Commission would allow a Vesting Tentative Map, Easement Abandonment, Coastal Development Permit, Planned Development Permit and Site Development Permit (CPA/LCPA/RZ/VTM/EA/CDP/PDP/SDP) to create a 20 lot subdivision for 20 single family homes on 8.36 acres of a 37.32 acre site at the southern terminus of Sunny Mesa Road in the Mira Mesa Community in the AR-1-1 Zone, Coastal Overlay Zone, Airport Environs Overlay Zone of the Mira Mesa Community Plan area. The Local Coastal Plan Amendment includes the community plan amendment and rezone. The project proposes to rezone the property from AR-1-1 (Agricultural-Residential) to RS-1-14 (single family residential) and OC-1-1 (Open Space-Conservation).

(RZ No. 11757/EIR LDR No. 99-0639/CPA-LCPA No. 11752/Project No. 3179. Mira Mesa Community Plan Area. District 5.)

CITY MANAGER'S RECOMMENDATION:

Introduce the ordinance in Subitem A; and adopt the resolutions in Subitems B and C:

Subitem-A: (O-2006-64)

Introduction of an Ordinance of the Council of the City of San Diego changing 37.32 acres, located at the southern terminus of Sunny Mesa Road, in the Mira Mesa Community Plan Area, in the City of San Diego, California, from the AR-1-1 Zone (previously referred to as A-1-10) into the RS-1-14 and OC-1-1 Zones, as defined by San Diego Municipal Code Sections 131.0403 and 131.0203, and repealing Ordinance No. O-18451 (New Series), adopted December 9, 1997, of the Ordinances of the City of San Diego insofar as the same conflicts herewith.

Subitem-B: (R-2006-489)

Adoption of a Resolution certifying that the information contained in the final Environmental Impact Report, LDR No. 99-0639, including any comments received during the public review process, has been reviewed and considered by this Council and it is determined that no substantial changes or new information of substantial importance within the meaning of CEQA Guideline Section 15162 would warrant any additional environmental review in connection with approval of Sunset Pointe;

ITEM-340: (Continued)

CITY MANAGER SUPPORTING INFORMATION: (Continued)

On August 10, 2005, the California Coastal Commission acted on the Local Coastal Plan Amendment for the Sunset Pointe project. The Commission significantly modified the Local Coastal Plan Amendment thus requiring the City Council to consider the modified Rezone and Mira Mesa Community Plan Amendment/Local Coastal Program Amendment. The Coastal Commission reduced the area to be zoned for development resulting in a loss of 10 dwelling units from the original 30 and increased the area to be zoned as open space. The Sunset Pointe project would build 20 single-family homes. The Commission also modified the community plan amendment consistent with the new zoning boundaries. It is requested the City Council consider the revised zoning and changes to the community plan amendment.

When considering the previous amendments and rezone, the Mira Mesa Group voted 14-0-1 to approve the earlier design of the project on March 17, 2003.

When considering the previous amendments and rezone, the Planning Commission, on May 29, 2003, voted unanimously 5:0:0 to recommend approval of the staff recommendation, with the addition to the plan amendment to address visibility of structures from Lopez Canyon. This modification has been included in the plan amendment.

City staff recommends adoption of rezone No. 11757 and approval of the community plan and local coastal program amendment No. 11752.

FISCAL IMPACT:

No cost to the City, all costs are recovered by a deposit account funded by the applicant.

Oppenheim/Halbert/JSF

LEGAL DESCRIPTION:

The project site is located between Sorrento Valley Boulevard to the north, Camino Santa Fe to the east and Lopez Canyon to the south in the Mira Mesa Community Plan area, City of San Diego, County of San Diego.
